Around the World!

RULES:

The Adult Summer Reading challenge is open to participants **18 years of age or older**. The rules are simple: pick up an Adult Summer Reading Challenge bingo sheet at the library, or find it on our website. Your bingo sheet includes reading challenges and activities.

Fill in the titles of books you've read or listened to over the summer that fulfill the challenge in the box, or **simply check off activities** that you've completed. One book may fill multiple squares! **Score five in a row in any direction and score BINGO!** Each five-in-a-row completed on your bingo sheet is another entry into our drawing for a chance to win our main prize! A bingo sheet with each box completed equals twelve entries. Each participant may submit one bingo sheet.
