Art in the Library

One of the library's largest benefactors, George L. Gould, believed that the library is more than a place for books, but also "...a cultural center promoting the aesthetic in the lives of Topsfield residents." We have large collection of paintings, sculpture, and other art, and host monthly exhibits of local artists in our Activity Room. Visit [topsfieldlibrary.org/art](https://www.topsfieldlibrary.org/art) for information about our exhibitions and a self-guided art tour!
